LOCAL PROFESSIONALISM PANEL QUESTIONS

Please complete the information below regarding any activity within your Local Professionalism Panel. Additional pages may be attached as needed.

- 1. Please describe the process by which complaints are addressed.** You may attach a link to the complaint form or link to where information is located on your website that advises the consumers, attorneys, and judges how to file a complaint.

Complaints are to be submitted to the Panel's Chairperson. The Chairperson then notifies the respondent of the complaint and requests that the respondent meet with the members of the Panel. At any point in the process, the Panel may decide that additional information is needed and may discuss the complaint with the referring party or other witnesses. If the Panel determines that action is necessary, the Panel provides recommendations and referrals to the respondent attorney designed to help remedy any unprofessional conduct and to assist with any other underlying issues. The Panel may also decide that the matter needs to be elevated higher than the local level, at which point the Chairperson will refer the matter to the Florida Bar for investigation.

The Administrative Order setting out this procedure can be found here:
<https://www.jud14.flcourts.org/professionalism>

- 2. Please describe what types of professionalism issues are seen most often in this Circuit?**

Historically, complaints in our Circuit have primarily dealt with scheduling/attendance issues, delays in communication, and unprofessional electronic communications.

3. What are believed to be the causes of professionalism issues within your Circuit?

The most common causes of professionalism issues in our Circuit have been:

- 1) being overworked as a result of taking on more cases than an attorney can manage and/or poor time management,
- 2) personal stressors, and
- 3) adjusting to the changes in the practice of law post-Covid.

4. How often does your Circuit's Local Professionalism Panel meet?

We typically meet as part of the Circuit's quarterly Bench/Bar meetings and as needed to discuss referrals. We also have at least one stand alone meeting per year.

5. Please describe any training provided to committee members.

Aside from the mandatory training required by the Supreme Court, there is no other training provided at this time. There has been consideration of offering supplemental training or mentoring to new members of the Panel.

6. How is your Circuit's Local Professionalism Panel promoted?

A list of the members of the Panel can be found in an administrative order on the Circuit's website. The Chief Judge and the Panel will be providing a presentation to the local bar association. Once the local bar association completes their new website, information about the LPP will be included there for use by both attorneys and the public.

7. Please provide information regarding all complaint intake for the appropriate dates. If filing in June, the information should be from January 1st – June 15th. If filing in December, the information should be from June 16th – December 15th.
